

We are excited to announce the new release of Engage, coming to you between late June and early July.

## For Our Students

Range	Percentage	Feedback	Contribution to course total
0-200	90.00 %		40.00 %
0-200			0.00 %
			17.78 %
	80.00 %		10.00 %

### Grades

The “Contribution to course total” column is a new addition to the user report that shows the weighting of each graded item, and the contribution to your final course grade.

### Discussion Forums

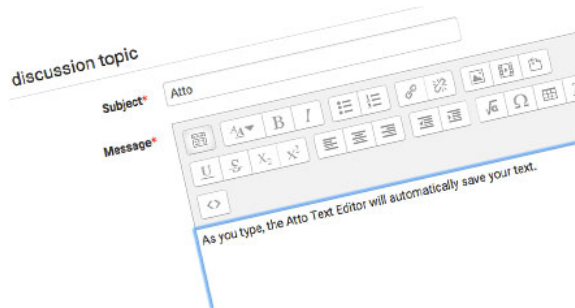

“Previous” and “Next” links allow you to easily navigate through discussion threads in a forum. Also, keep track of conversations with your peers by subscribing to individual discussion threads.

### Reply to Discussion Forum

## Posts via Email

Reply to email notifications received from a discussion post. Simply, click “reply,” create the post, and even include file attachments!

## Text Editor

The new editor automatically saves text as you type to ensure no work is lost before being published. An equation editor is also available in the toolbar for mathematical equations.

# Stay tuned for additional training resources!

Our goal is to provide you with the best online learning experience through continuous feature improvement and enhanced usability. Thank you for your continued feedback and suggestions.
